## **Employment**

### **Kevin Morton Racing 2002**

First employment after racing college

### **Pam Sly Racing 2003**

Duties included all riding work, frequent visits to the races turning horses out to the highest of standards yard duties and late-night feeding working as part of a team and occasional sole charge, while Pam was away, making sure the horses were cared for to the highest standard.

### **2006**

I travelled the USA for a year on a work visa visiting many different states working on farms and race tracks experiencing a different way of life and racing cultures.

### **Jenny Pigeon racing 2007**

Duties included all riding and hunting to qualify the horses for racing, going to the races and all yard duties including all ordering of feed and supplies, taking deliveries and completing the paperwork and payments.

### **Mrs Coldray Pre Training 2007**

As a temporary summer job to help start the 2-year-old colts and move them on to their full training yard with Sir Mark Prescott, working as a team maintaining the health and safety of all team members at all times.

### **Nicole mills eventing 2008**

In a private yard with 6 of her own horses and 3 livery's sole charge, duties included exercise of the horses, running of the day to day yard including all ordering, taking of deliveries and booking of vets and farriers and caring for the livery's while in constant contact with their owners to meet their needs, grooming at events and staying away to international 3-day events.

### **Enterprise/Punch Taverns 2011**

Assistant manager of pubs across the country that were un-leasable due to low profit margins, bringing to kitchens back up to a 5\* Food hygiene rating before offering a full menu brought each pub back to a profitable business while maintaining it until new tenants were in place then moving on to the next pub, this job involved some bookkeeping, stock taking and all ordering of foods and beer.

### **Bryony Wilson eventing 2012**

Yard manager of 20 horses including competition livery's, mares in foal, young stock, retired horses and field kept horses full responsibility of all feed and bedding orders, veterinary care and keeping up to date with all routine jobs dentist visits and chiropractors and supervising two part time and one full time member of staff in the day to day running of the yard.

**Rebecca papaiacovou**      **2013**

Yard manager of 16 horses including eventers, liveries retired horses and young stock, dealing with any livery's concerns on a day to day basis working closely with Rebecca in the running and training of her event horses, acquiring my HGV cat C licence as part of my training in order to transport horses to and from events, vets and any other appointments needed.

**Lawrence David Event Team**      **2014**

Managing a private yard for Anne Marshalls event horses doing all the training and fitness work for her Granddaughter to go out and compete at weekends, transporting the horses and rider to all the events throughout the season, also running and maintaining the yard, ordering, paperwork and horse's appointments while the and rider was away at university.

**Henry Chapman Hunting**      **2015**

Managing a family yard of 10 to 15 hunt horses in the day to day care and fitness training of the horses, overseeing all ordering, appointments, paperwork and payments, giving riding lessons to the 3 children at weekends when home from boarding school and travelling to competitions over the summer months, in the hunting season I transported the horses on hunt days to the meet and second horses turning them out to the highest standards organising times and places to meet with the riders while hunting some horses myself. The rest of the working week was spent managing the running of the day to day yard and 2 full time members of staff, attending weekly meetings with the owners on the running of the yard and horses.

**Emma Forsyth Eventing**      **2017**

Managing a yard of 10 event horses and one full time member of staff working closely with Emma in order to have the horses transported to lessons and competitions as well as the day to day running of the yard and staff.

**Fiona Crookall**      **2018**

To date i have worked for a family, running a yard of 6 horses and ponies sole charge, day to day care of the horses, all ordering, booking of appointments making sure all routine treatments and care are kept up to date, all ridden work and transporting horses/ponies to rallys camp and competitions with the family. organising and taking care of land management. I have recently overseen the build of a new arena.

**Personal Interests**

In my spare time I enjoy the gym, walking with my dog, keeping fit and socialising with friends.
